**International conference,
Riga, Latvia,
April 12-13, 2011**

EUEXNet
European Explosives Network
for Explosive education and Certification of skills

You are invited to participate in the International Conference “Explosive Education and Certification of Skills”. The conference aims to bring together experts, who are interested in the following topics:

- **Legislation and certification in explosives sector and fireworks;**
- **Recovery of ammunition, demilitarisation;**
- **Detection of buried ammunition and mines;**
- **Case descriptions/ Reports on prominent domestic and foreign cases;**
- **Operational tactics and techniques as well as new technical developments;**
- **Eco-toxicological evaluation of explosives;**
- **Treatment of explosives-contaminated water and soils.**

The official language of the Conference is English. For attendance participants should fill in the Registration form. Participants are asked to specify the section they will attend. Contributions (one page A4 abstracts) and Registration form may be sent electronically to the e-mail address: sbv.liter@inbox.lv until January 15.

Section moderators retain the right to select oral communications.

Papers with a positive reviewer’s opinion will be published in the Book of Abstracts.
